NOTHING AVERAGE ABOUT KAREN

Dear PURELY 18,

Your last issue really blew my mind—as well as causing me to blow several loads. Of all the great pictorials, my favorite was of Karen and Tom. That's because I could relate. Here was this truly beautiful young girl with a regular-looking dude. That's like me and my chick, Carina. She's an amazing piece of ass and I'm a blue collar guy, just average to look at. But she likes me for who I am, or at least that's what she says.

I really think it's because I know what I'm doing in the bedroom. I'm sure Tom's the same way. If you can, ask Karen what she sees in the dude. If it's his skill under the sheets, that's cool. And if they want to hook up with another like-minded couple, pass along my info. Thanks.

Rick C.
Abilene, TX

(Rick, when we speak to Karen, we'll be sure to ask about her attraction for Tom. Maybe she doesn't see him as average. And maybe Carina doesn't see you as average, either. Whatever, glad you enjoy our mag. Keep on reading it!)

Natasha
33645

POSITION IS EVERYTHING

Dear PURELY 18,

Amazing! Simply amazing! That's all I can say about Natasha in your latest opus. Not only was she drop-dead gorgeous, but those poses. Mama Mia, what astounding flexibility. I didn't know it was possible for a chick to spread herself so open. Twisted like a pretzel, she looked more than good enough to snack on!

I can just fantasize what it would be like to fuck her, imaging the positions we could get ourselves into. Even if I can't screw her, you think it would be possible to simply watch her get fucked? It would be worth the price of admission to see her contorted in unbelievable positions. Guys, make my fantasy come true. Thanks.

Ross M.
Decatur, GA

(Sorry, Ross, but we have the feeling that Natasha isn't going to let you watch her do the dirty. Hell, if she complied with your request, she'd have to do the same for all our readers. The best we can do is to try and feature Natasha in a future layout, this time getting fucked. That should appease your appetite!)

COVERGIRL, DREAMGIRL

Dear PURELY 18,

What the hell is going on here? Most magazines like their readers. But it seems as if you want to kill your fans. What do I mean? I don't know how I didn't have a heart attack after reading your last edition. Specifically, I'm referring to your covergirl. Her interior layout was too hot to comprehend. Not only was she the cutest blonde I've ever seen, but c'mon, featuring her in pigtails, too? Why can't all girls stay18 forever?

Is there any way you can devote a whole issue to her? I'm sure I'm not your only reader who feels this say. I think you'd have an all-time best seller. So think about it. We must see more, more, more of her!

Mitchell P.
Monroe, LA

(Mitchell, we do love our readers. That's why we feature chicks like the one you're talking about. To bring joy into the lives of readers like yourself. As to a whole issue with her, we like to think that variety is the spice of life. Why beat-off to one chick when you can enjoy five or six?)

33201
Trinity

HOLY GHOST, IT'S TRINITY

Dear PURELY 18,

Okay, wise guys, keep on being so cute. When you brought us "Trinity" in your most recent magazine,you had to have changed her name from Trish or something like that. Hell, it was a near-religious encounter to see this luscious young blonde use all her holes to tease and please.

I still can't believe that she took that dildo inside with such ease. She's too young to be so experienced. But I loved it! Let's hope that Trinity returns in an even hole-ier way next time!

Levar A.
Carbondale, IL

(Hey, Levar, we're obviously not the only ones who are wise guys. As to whether Trinity is Trinity, or we applied that tag to her, we'll never tell. And she might be back—all holes at the ready!)

A NATURAL TALENT

Dear PURELY 18,

There's perfection, and then there's Cassie. This brunette in your last issue is the reason I buy skin books to begin with. There was just something so innocent about her, yet so nasty at the same time. It just seemed so natural for her to take off all her clothes and pose nude. Some girls just look like they're going through the motions and are not really into it—not Cassie. Being nude seems like second nature to her.

Is it possible to feature her again, this time with a guy or another girl? It just seems to me that if she's such a natural at being nude, she'd really get off on posing with someone else. And if you can't find anyone, I'd be more than happy to volunteer my services. Cassie is queen in my book!

Frank I.
Laughlin, NV

(Thanks for the offer, Frank, we'll definitely keep you in mind if we decide to feature Cassie in a boy-girl shoot. But we have a feeling you might be waiting in a long line. We do agree that Cassie is a natural and she's exactly the type of girl we look to secure for our readers' enjoyment.)

LIFE IMITATES ART

Dear PURELY 18,

Believe it or not, your most recent publication spurred me on to have the hottest experience of my life. I'm talking about the layout featuring Betty and Sarah. Those two young,hot, cute chicks got it on with a stud and really seemed to enjoy themselves. Well, I showed the pictorial to my girlfriend, Monica. I'd been trying to get her to hook up a threesome with her good friend, Debbie. But she was hemming and hawing. But when she saw the layout, she got horny, too. Bingo! She called Debbie.

Guys, next thing I knew, I was in bed, sandwiched between Monica and Debbie. And we did things that equaled that of Betty and Sarah's exploits. I watched the two ladies lick each other to orgasm, then I joined in and got to fuck both. So I owe you a great debt. Anything I can ever do for you, don't hesitate to ask!

Jefferson D.
Portland, ME

(Jefferson, just knowing that one of our layouts helped a reader to experience a threesome is more than enough thanks for us. We're very pleased that we were able to help motivate your girlfriend to experiment. Hey, maybe you can send her and her buddy our way so we can also have some fun. Just kidding. Just keep on buying our mag and we'll be grateful!)

LINDSEY

She has an oral fixation!

“Don't ask me why, but it seems as if I've always had an oral fixation. And it really got bad when I became old enough to start liking boys. When I discovered that you can actually suck a penis, it blew my mind. Of course, I walk that fine line between being horny and being a slut. Still, when I see a boy I like, I know I have to send him the right signals.

“I have a prop I use. Sitting in class, I always have a 'blow pop' that I suck on. My friends even gave me the nickname of 'Lolly.' If there's a dude I'm into, I'll sit next to him and begin sucking on the pop. As I twirl my tongue around, then inhale it inside my mouth, he eventually gets the message. I can't tell you how many times I sucked off a guy right after class. I always have to have something in my mouth. What better than a big, hard dick?”

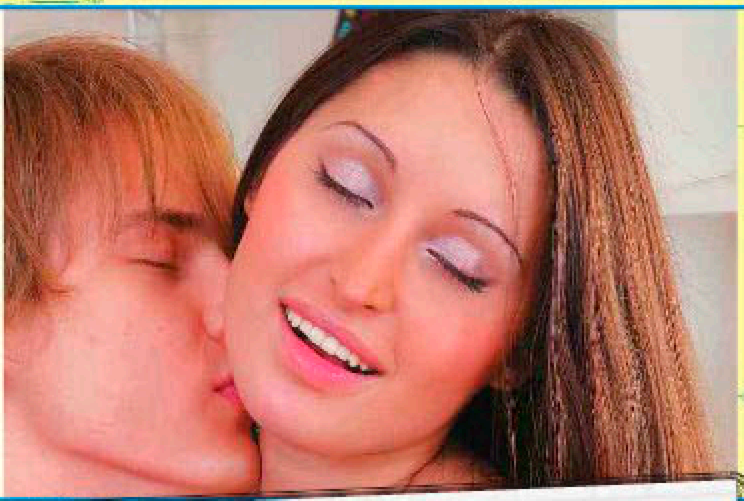
A Young Girl's Diary

So, I finally did it! And not only did I let him put it in my pussy. But I took a dildo up my butt!



Dear Diary,

So my boyfriend and I tried sex for the first time, but it was impossible. I just lay there, stiff and scared. My eyes wide open. My pussy totally dry and unresponsive. See Sahara Desert. Daniel could get his cockhead to my pussy lips and slightly in, but then I would freeze and, let me tell you, this clam was clamming right up.

The worst part is, I am sooo totally attracted to my boyfriend and he to me. And why not? If I do say so myself, I am one hot piece of ass, if my body and soul would let me be one. But hang in there, Diary, because my virgin status seemingly changed overnight! Here's how it all went down…

We had reached the point where we no longer tried to have sex. Sure we got together, and my hand-jobs and blow-jobs seemed to keep him happy. He's pretty good at fingering my pussy, loving up my titties, and even cunnilingus, too, so we just tried not to think about going all the way and concentrated on letting our foreplay drive us to ecstasy instead.

Last night, I decided to stay the night at his place, and I told my parents that I was staying at my girlfriend's. They still worry about me since I just turned eighteen, and want me to be a good girl, so staying overnight at my boyfriend's right now is a no-go in my parent's book of parenting. So, shhhh, don't tell!

Anyhow, Daniel and I had fallen asleep on the couch after some awesome oral sex. We didn't even make it to the bed. Then, I must've had a really bad dream. Or maybe it was a good dream? In any event, Daniel said I was whimpering in my sleep and it woke him. He cradled me to him and I began to come awake. I honestly don't remember what I was dreaming about, but my pussy had grown hot and moist.

Daniel quickly stripped me of my clothes, discovered how wet I was, and inserted these amazing sex toys – one up my pussy and the other up my ass! I was still half asleep and was loose and relaxed. This two-item fucking was out of this world! Daniel plunged the butt plug and the dildo in and out, alternating one with the other. In out, then out in, then vice versa. He said I moaned softly, and he took that as a good sign. He saw that my holes were creaming big time, pussy juice clinging to my lips, so he removed both toys and began gently sliding his cock in and out of my dewy, damp cunt hole.

I was really into the action now and hunched my

pussy in sync with his short strokes. It felt soooo good! No, it wasn't just good…it was amazing! Almost involuntarily, my pussy squeezed around his cock with his every thrust. I couldn't believe it, but my boyfriend was all the way in and there was absolutely no pain! I mean, wow! If my cherry broke, I didn't even feel it! I could actually feel an orgasm coming on! And this was my very first time! My whole body was tensing up, but in a good way. I begged him to go hard and fast and deep. I went wild when my orgasm hit with full force.

Without missing a beat, and clasping him inside me, I rolled him over onto his back and I took the top position. As I rode him up and down in a bronco position, his cock penetrated me even deeper, if that is even possible. I felt like it was going to come straight out of my mouth! Just then, Daniel went into these short little strokes and I felt a wetness shoot into my hot cavern and coat my vaginal walls. Daniel was coming! I immediately went into another orgasm, crying out in ecstasy. Now that I knew what I had been missing, I wanted more, more, more! And I had made my boyfriend come! How cool is that?

When Daniel withdrew, he showed me how to play with his cock and make it hard again. We were both in a hurry. Then he spread my legs and came at me from behind. He ran his tongue around the lips of my pussy, and quickly slipped his tongue deep into me, caressing my pussy's inner folds. When the tip of his tongue touched my clit, I went off into yet another wild orgasm. My pussy was totally on fire and nothing seemed to be able to put it out!

I groped for his cock. It was hard again, and I began jerking him off. Then, before he could come, I turned around and kissed the tip of his cock. My tongue happily explored the swollen knob of it. I took the mushroom cap in my mouth and then began bobbing my head up and down on the shaft. Then I turned back around and Daniel shoved his cock up my hole and went to town riding my ass! Before he could come, though, I pulled away and took his cock once more between my lips. I bobbed my head faster and faster until he shot spurt after spurt of his juices into my awaiting mouth. I raised my head and smiled at him. My lips were covered with his cum. I took some of the cum that was dripping from the corner of my mouth, spread it around my hole, and we were at it again, fucking like two jack rabbits.

Now, I am absolutely insatiable. I can't seem to get enough fucking! We fuck all the time now. I especially love having all of my holes plugged at once, with Daniel's cock and the two sex toys. I don't know what I was so afraid of, but damn, I'm sorry I didn't know how good it could be. I definitely would've lost my cherry a lot sooner!

GIRLS KISSING GIRLS Volume 10

Sweetheart Video

Starring: Victoria Rae Black, Dana DeArmond, Katie St. Ives, Chastity Lynn, Veronica Avluv, Zoey Holloway, Celeste Star & Hayden Winters

Ten out of ten is a perfect score, and nothing celebrates perfection better than a tenth volume of Sweetheart Video's amazing lesbian series *Girls Kissing Girls*. Combining simple, realistic scenarios that explore feminine curiosity and passion with intense kissing and real, authentic lovemaking, this DVD goes deeper than any other lesbian series before. With a star-studded cast and shot in glorious HD, you're sure to place this at the top of your Top 10 list. Not surprisingly, what should be on every guy's Top 10 List is watching sexy Celeste Star go to town on the lower critical area of pretty redhead Hayden Winters. Celeste wants to watch a horror movie. Hayden is afraid of horror movies. So when Hayden freaks out, Celeste is right there to comfort her distraught friend. She starts by kissing Hayden's lips, then neck, then her soft boobs. The foreplay is convincing—and sizzling hot! There's a shitload of kissing and dry humping, but the action hits its peak when Celeste decides to go down on her now-wet buddy. Working a finger into Hayden's pussy as she licks the redhead's clit causes Winters to cum three times in a row, compliments of the brunette's amazing oral skills. Soon it's Celeste's turn to have her pussy eaten and Hayden doesn't disappoint. She covers every inch of Celeste's warm snatch with her eager tongue until Star gets herself off with a powerful orgasm by grinding her puss all over Hayden's mouth. Yes, the title is *Girls Kissing Girls*, but a more apt title might have been *Girls Licking Girls*, because at the end of the day, that's what these chicks do.

THE BABYSITTER Volume 7 Sweet Sinner

Starring: Starring: Maddy O'Reilly, Veronica Avluv & Lia Lor

Manuel is a recent widower who is having trouble getting back into his normal work routine. He hires Maddy to take care of his infant son and help around the house. Maddy's committed to her boyfriend, who might just be stringing her along. As Manuel and Maddy open up to each other, their generation gap begins to close. Sweet Sinner brings you this tale of lonely souls and budding desire. By far, the sex scene between Maddy O'Reilly and Manuel Ferrara is what you'll write home about, but fuck strokes shared between Ferrara and Veronica Avluv and Richie Calhoun with Maddy O'Reilly also score strong marks. But let's face it, the building sexual tension between babysitter Maddy and the long-cocked Frenchman sets up one of the most explosive couplings the Old Jugster has seen in a long time. What's really impressive about this James Avalon-directed film is the serious acting chops both Ferrara and O'Reilly demonstrate. So when these two actually decide to play bury the bone, let's just say the bone is buried, then unburied, then buried once again, too many times to actually remember. The action is super-hot with Ferrara putting O'Reilly through all the paces: missionary, cowgirl, reverse cowgirl, spoon, and doggy. When it's time for the money-shot, Manuel doesn't disappoint. He paints the babysitter's stomach with copious loads of white manna, much to the delight of his new employ.

LEX IS TOO BIG FOR TEENS 10

Reality Junkies

Starring: Jada Stevens, Cindy Starfall, Casey Cumz, Remy LaCroix, Ashlynn Leigh & Lex Steele

Jada may not be the best housesitter, but Lex only cares how well she takes care of his pet python. Cindy needs some help with her studies. Lex can help her get in touch with her innermost biology. Casey is a babysitter who you wouldn't necessarily trust with your kids, but Lex can *trust* her with his even more precious package. Remy's a rich bitch who loves taunting the family chauffeur, but can she handle Lex, the newest driver? Lex comes by his business partner's house for some extra work, but his partner's daughter, Ashlynn, has some work of her own to do with him. All of the sexy sirens in *Lex Is TBFT 10* enjoy big, black cock. That goes without saying, but of all the scenes, cute Asian Cindy Starfall is easily the most impressive. Lex shows up at her house to help her with her anatomy and biology homework. The ever-professional Lex smirks—and so will you— as Cindy stumbles over her lines. But when it's time to cut to the chase, it's painfully clear that this girl is downright dying to devour Lex's legendary schlong. Ms. Starfall stuffs Lex's dick as far down her throat as humanly possible, but if deep-throating Lex seems like an impossibility, when he finally penetrates her hole with his notorious, huge, black rod, this chick realizes immediately that she's in for the fuckin' ride of her life. Doggie, missionary, cowgirl, reverse cowgirl, it's all good until Lex decides to fire a nice thick load all over Cindy's bespectacled Asian mug. Lesson learned, *biatch*.

Jessie is the new girl at Dan's massage parlor. She meets Marcus, an older man with a kind heart. Marcus ends up being Jessie's friend's father. The two keep running into each other, awkwardly trying to hide their attraction for each other. Sweet Sinner delivers an honest take on lovemaking and passion in this story of forbidden desire. Jesse Andrews is the picture of innocence, a fresh flower who likes to get fucked—hard. And rodeo star Tommy Gunn is just the right guy for the job. Following an incredibly seductive massage sequence, the sexual tension slowly builds until Andrews starts polishing Tommy's magic gun. Jessie goes from stroking to smoking in no time. The sequences in which the redheaded stunner teases the stud, rubbing his cock over the outer rings of her labia, are truly stunning, riveting. But before you can say Juggy Gales, Andrews is quickly on top, riding Gunn's cock for all it's worth. She cums hard on his dick, gets off to lick her pussy juices off her man's cock, and then it's back on top again for some more swollen pole-riding. Just watching this girl emote as she gets her pussy plowed was enough to send us to the showers. When Jessie cums for the second time, it's soon game over for the rodeo stud. The couple ultimately transition into missionary and it is just a few seconds and several strokes before Tommy's Gunn spits white, all over Andrews' auburn-haired muff.

Featuring Sharon Pink Angel Piaff & Neeo
Mom & Dad are Fucking my friends Vol. 10
A division of evil mile high media

Married life can get a little stale, between the sheets and especially between the thighs. So what do these filthy depraved couples do? They bring a tight innocent teen into their sick den of sucking, fucking, and cum flinging. It's threesome action at its best and all shot in spectacular HD. The best example of this DVD's blistering three-way action is its opening scene, featuring MILF Sharon Pink and cute, fresh-faced young 'un Angel Piaff. When the little sexpot goes looking for sex with her boyfriend, she ends up meeting—and fucking the living hell out of—her boyfriend's parents, Sharon and Tommy. Next the horny Angel is being spread out between the two married folk like a Thanksgiving Day turkey. Sharon lets Angel play and suck on her massive DD flesh bombs while the man of the house gets busy fingering Angel's slippery wet snatch. Then, in seconds-flat, Angel is licking the Mrs.' gaping pussy while her husband is pounding the sexy Ms. Piaff from behind. Sharon decides that she wants to ride some thick man-meat too, so Angel is left licking tit and occasionally cleaning Tommy's cock. Once the lady of the house has had her pussy sufficiently reamed and creamed, it's Angel's turn to get on top. Not surprisingly, our pigtailed darling—no stranger to a stiff wet cock—rubs out one orgasm after another. It's not long before the husband quickly signals both girls that his goo is also about to fly. Angel takes charge and is greeted with a nice big load to the chops. Now sated, she smiles at her new friends, looking pretty as a picture.

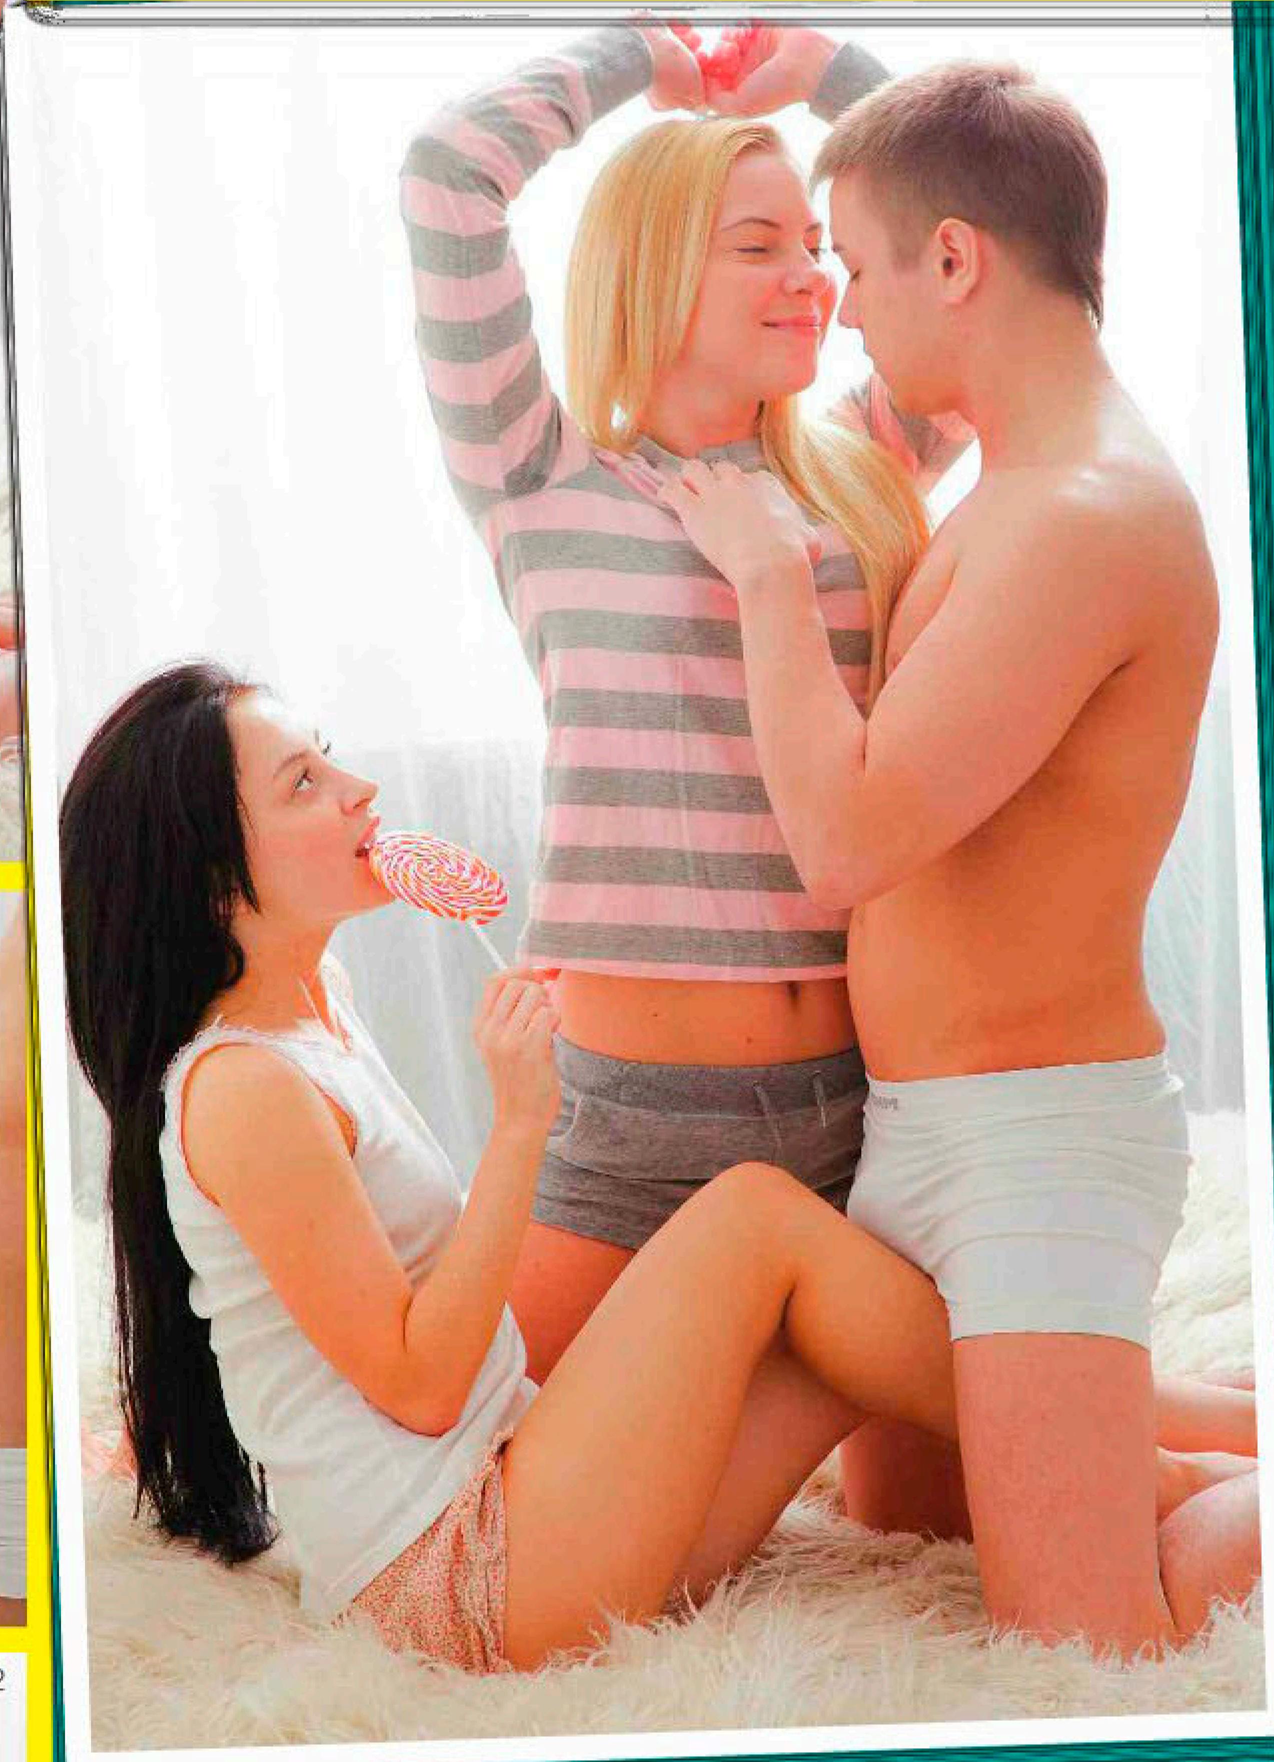
RENEE & ELAINE

THE PIZZA GUY DELIVERS!



"I love to fool around with my bff," says Renee. "There's always titty touching and clit stroking. We both have mind-numbing orgasms. Of course, we're not lesbians or anything like that. What we really wanna do is fuck. We also just turned that magic number 18, so we are ripe for the picking.

"Talk about perfect timing! The cutest guy delivered our pizza and he was more than happy to pop our hymens. First, Elaine and I sucked face, with Nick below us. There was a whole lotta pussy eating and cocksucking going on after that. Then Nick got to break two cherries in one day. It was definitely a hands-on experience for all of us. We've decided we'll continue as a threesome. We have a lifetime of positions to try out!"

Blonde and NOT Dumb!

"People think because I'm a blonde, that I'm dumb. I've even heard some comments behind my back like, 'She looks dumb!' You tell me—how does someone 'look' dumb? I can't be that dumb because I have more boyfriends than any other girl I know. That's because I know how to use what I have to wrap them around my little finger!

"What is it I have? The tightest pussy imaginable! I'm petite and my small frame provides for the perfect fuck machine. Though I'm real young, I've already mastered the art of controlling my pussy muscles. Once I get a cock inside, I can literally grasp it like a glove, control its movements, then milk it dry! Let's just say word of mouth has spread around the campus of the junior college I attend and I've got guys lining up to test the goods. So I can't be that dumb, now can I?!"

Maddy O'Reilly

BY ROB PEREZ

Porn Valley, CA—2012 was a banner year for hot new teen starlets entering the jizz biz. With the bevy of spinners earning accolades, one young lady stood out for her good looks, sweet demeanor and fiery performances. Maddy O'Reilly is a teen star's teen star. Cute, skinny and tight all around, Maddy gets pervs riled up whenever she pulls down her little panties and has her shaved kitty stuffed airtight with some of the biggest cocks in the biz. Making her mark in plenty of young girl and gonzo titles for many of today's top studios, she makes her lead role debut in Will Ryder's Wizard of Oz parody playing Dorothy, a role she was born (not too long ago) to play. Grab yourself and read what your favorite teenie has to say about being a porno star!

Congrats on getting the starring role in the Wizard of Oz parody. Can you tell me a little about the parody?

It's probably the best project I've worked on so far. All the music that we used is original. The storyline is a little bit different. Dorothy gets in this twister and lands in this sex crazed town. She has to find her way home and ends up having to fuck her way home basically. [Laughs] It's definitely a little bit different than the original storyline.

Who stars in it and who did you have sex with in the movie?

Brandy Anderson, Anika Albright, Stella Marie, Nina Hartley. I performed with Anika who played the good witch, Kurt Lockwood and Seth Gamble.

Kurt Lockwood is a pretty good performer.

[Laughs] It was actually the best scene in the movie. He played an Emerald City guard and it was a threesome with him and the good witch.

Did you enjoy the acting and singing in the movie?

Yeah, it was a lot of fun. Eighty five percent of the movie is done with the cast's original voices. It was definitely fun for me because it was the most amount of acting I've gotten to do in porn.

Everybody did sing? It's their actual voices we're hearing?

Yes, except there was a song I was unable to do.

Is it true Will Ryder hired midget porn performers to be in the film?

Yeah, we had Stella Marie who's a performer in the industry. She did a scene with Eric John who plays the Wicked Witch's guard. I wasn't there for the scene but I heard it was pretty awesome.

Would you have had sex with a midget performer?

Absolutely! Absolutely! [Laughs]

I have to mention the incredible scene with you and Zoey Holloway in Girlfriends Films' Women Seeking Women 91. It was amazing. What was it like working with her?

That means a lot. It was amazing working with her. She has this really sweet demeanor about her but at the same time she has this undeniable sexual energy. She has this really good energy about her so I knew it was going to be good, even before we got started on the scene. And working with her was amazing. It felt like the scene could not go on long enough. When they said, "That's a wrap," I didn't want it to be over.

You also had an amazing scene in Lesbian Office Seductions with Aiden Starr where she dominated you. Do you remember that scene where she completely had you under her control? Do you enjoy giving up complete control?

Yeah because I'm such a submissive performer so it's really great to work with a female talent who's so dominant and makes it very believable. You'll definitely

listen to her. She's very good at being the dominant one. So it was amazing to be able to give up control to her. It made me want to give up control just because how amazing she is at it.

Everything she did to you was it ad-libbed during the scene?

It was all her.

Do you enjoy having someone take complete control of you in real life?

Yeah, absolutely.

What's the best thing about being a sex addict?

The fact that I can experience everything possible when it comes to sex. I guess it's because of my addiction that I'm willing to go ahead and make sure that all my sexual fantasies come true.

Do you have a boyfriend or a regular sex partner?

Yeah I do which is great but I still like to experience different experiences with different people. [Laughs]

How does one become Maddy O'Reilly's booty call?

Just being confident that he could have it if that makes sense. [Laughs]

You were nominated for Starlet of the Year for the incredible year you had in 2012. How would you describe 2012 professionally speaking?

It was amazing. I felt like I was able to start my process of growing sexually. You can definitely tell from my earlier scenes to my scenes now the transformation. So professionally it was amazing. It taught me what I like what I don't like, what my boundaries are and it also opened me up to things that I may not have been turned on to before.

You actually planned on going into porn. This wasn't just a thing you went into like that.

Yeah, it's something I've always wanted to do. I'm so shy I didn't know how to go about doing it or the courage to do it. But yes, this was the plan.

What's the best and worst thing about being a porn star?

The best thing about being a porn star are all the experiences you get to have and all the talent you get to meet even if they're not the talent that you're working with. Just the creative minds you get to be around 24/7. There's never really a dull day. I don't ever dread going to work. The worst thing? There's nothing really bad about the job. I guess the worse thing if I had to choose, would be if a company asked me who I want to work with it, sometimes it would be hard for me to narrow it down to one person. [Laughs]

Do you prepare for a scene mental-wise?

Not really, unless it's going to be some crazy bondage scene I have to get within that mindset of being submissive right before I get there. Other than that, not really.

How did you come up with your porn name?

It was a suggestion. I was brainstorming with someone and it came about from there because I didn't like my original porn name, Savanah.

Where would you rate yourself, looks-wise and body-wise, on a scale of one to ten?

[Laughs] I don't know. A nine. [Laughs]

What would you say is your best and worst physical feature and why?

I love my ass and my legs. The feature I hate the most is my nose, I guess.

Are you a very dominant or submissive person?

I'm extremely submissive.

A lot of porn girls say they're submissive with guys but dominant with girls. Are you submissive to both?

Yes to both. It's just hard for me to pull the dominant side. That's why it's really awesome to work with girls like Aiden; people like that who have the ability to dom girls. I can't.

What would you say have been your best scenes, scenes with older or younger women?

Probably with older women from what I've experienced.

Before porn did you have sex with an older woman?

No, I never had sex with an older woman until porn. It wasn't like I was against it, I guess I just wasn't ever in the right setting for that to happen.

When can we expect a Maddy O'Reilly anal scene?

[Laughs] I'm working on that in my personal life so who knows. [Laughs]

Ever do a gangbang on film or in person? Would

you like to?

Absolutely. I'm dying to do that. If I were going to do a gangbang I'd want to do everything. Double vag, DP, all that. There's really no limit on guys. I think my ideal gangbang would probably be, I think eight is a good number. [Laughs]

Do you masturbate often? Who or what do you think about when you masturbate?

I masturbate about experiences that I've had or about experiences that I want to have with people. It's different. It really varies. Yeah, I masturbate quite often.

Do you ever masturbate to just regular people who are not celebrities or porn people?

Yeah. There are a couple of people in my building I find super attractive that I've masturbated to. So, yeah, just some random people. [Laughs]

Do you watch porn regularly? What kind of porn movies do you like watching?

Yeah, I still do. I watch a lot of gangbangs, anal porn.

Describe the hottest scene you've ever been involved in. Who did you perform it with and for what film/studio was it for?

That's tough. Probably in Young and Glamorous 3 and that was with Manuel Ferrara.

Manuel is also a rough performer. Could you handle him?

Yeah, it was great. It was only the second time we worked together. The first time was more for a couples movie and Young and Glamorous 3 was more anything goes so I was able to experience the rougher side of him, which was great. It was awesome.

What girl in the business would you most like to have sex with and why?

That's so tough. Definitely Sasha Grey. She screams sex, everything about her. She's very sexual and I missed her. [Laughs] I hate that.

Do you like being naked? Do you walk around naked in your private life?

I'm usually in just panties. But yeah, I like being naked.

What's it like for you to have a job in which you get to be naked at work?

It's amazing. I don't have to wear a scruffy uniform or anything uncomfortable. That's the great thing about it. It's freeing and comfortable.

Have you had a one night stand?

Yeah. [Laughs] It's been a while.

What size cock do you prefer?

It doesn't matter. I'm happy with a cock of any size.

Are you a true bi-sexual?

Absolutely! More than ever. I feel like I've always been attracted to girls. I've always watched more girl/girl porn before I was in the industry. I'm definitely more open and maybe eventually, I could actually see myself in a relationship with a female. So I am definitely a true bisexual.

But you still need a cock every now and then.

Definitely. If I had it my way I would have a girl/girl/boy every time I have sex.

What was your first experience with a girl like? Was it a good or bad experience?

It was a really good experience. She was new to girl/girl sex as well. So it was cool to have someone that was new with you and to be able to explore each other's bodies. See what you like and see what you don't like.

What kind of girls are you into?

I find every girl attractive so that's really tough. If I had to choose I would say mid-30s, like soccer mom status. [Laughs]

What is your favorite sex act?

I like giving head, doesn't matter what sex the person is.

What's one sex toy you can't live without?

My Hitachi.

Where's the weirdest place you've ever had sex?

In an insurance office, after hours. [Laughs]

Tell me something most people don't know about you?

I'm a beer enthusiast. I just like different breweries.

What's one superpower you wish you could have?

To be able to see through people's clothes. [Laughs]

Which male and female celebrity would you most like to have sex with?

Blake Lively and Russell Brand.

Which movies of yours should our readers look out for in the future?

I have some new features for Girlfriends Films coming out, and Fifty Shades of Pink.

What does the future hold for you?

I definitely want to get an award under my belt. Keep pushing myself and keep growing as a performer. Keep producing good content.

Anything you'd like to say in closing to the Finally Legal readers?

I hope they enjoy the interview, thanks for supporting me and for just being a fan.

LOTUS

Spread open her petals!

"When my parents named me Lotus, they didn't know what they were setting in motion. Like the lotus flower, I love to spread myself open. Hey, you're only 18 once. Might as well make the most of it. I love to be naked, to show off my luscious young body, to seduce guys of all ages. I guess that's what led me to my part-time job.

"After class, three nights a week I work as an exotic dancer—stripper to you. I love my job. I can't tell you what a turn-on it is to see the look of pleasure on guys' faces when they check out my body. And I get wet when I see that lump in their pants that I caused. It gives me such a feeling of power and seduction. I'm so happy that I'm young and beautiful and that my body is perfect. So enjoy!"

CECE

She wants to be a woman!

“The greatest feeling in the world was turning 18. I've been legal for two weeks now. And it's great. That's because my whole life all I've heard is how young and innocent I look. Hell, I think when I'm an old woman of 50 people will think I look like a teenager. Well, to prove them wrong—that I'm not innocent—now that I'm of age, I can do the nasty whenever I want.

“There are a couple of guys I came onto who shooed me away, thinking that I was 'too' young. To prove them wrong, I simply dropped to my knees and began blowing them. When they started thinking with their other head, they realized I was the perfect age. I want to be taken seriously—as a woman, not a girl—so if I have to use my mouth, cunny, or even ass to do that, so be it. I'm a woman, dammit, hear' me roar!”

Franziska

Cupcake Titties!

"I'm a really good girl that wants to be oh-so bad! I recently turned 18, but I just haven't found the right guy yet. He has to be really special to take this girl's innocence away. So, in the meantime, I like to have a good masturbation session to warm myself up – just me, myself, and I. Stroking my cupcake-size titties, topped with bite-size nipples, with one hand and my clitty with the other gets me sooooo hot.

"Once I'm soaked, with my lips spread like a flower waiting to be plucked, I take my favorite, long, thin dildo and work it up inside me. I love to pretend it's that special someone taking my virginity. I am so ready for when the real thing comes along. I'm wide open. Any takers?"
